

## **Scholarship Application 2019 – 2020 Academic Year**

The ISACA Boise Chapter is proud to offer a \$1,000 scholarship for the 2019-2020 academic school year. This scholarship is to promote students studying in the related fields of Computer Science, Information Systems, Cybersecurity and Accounting. The application deadline is March 15, 2019.

Nearing its 50th year, ISACA® (isaca.org) is a global association helping individuals and enterprises achieve the positive potential of technology. Today's world is powered by technology, and ISACA equips professionals with the knowledge, credentials, education and community to advance their careers and transform their organizations. ISACA leverages the expertise of its 450,000 engaged professionals in information and cyber security, governance, assurance, risk and innovation, as well as its enterprise performance subsidiary, CMMI® Institute, to help advance innovation through technology. ISACA has a presence in 188 countries, including 217 chapters worldwide and offices in both the United States and China.

ISACA's constituency is characterized by its diversity. The global community of ISACA members and certification holders cover a variety of professional IT-related positions; some of which include IS auditor, consultant, educator, IS security professional, risk professional, chief information officer and internal auditor. Some are new to the field, others are at middle management levels and still others are in the most senior ranks. ISACA constituents work in nearly all industry categories, including financial and banking, public accounting, government and the public sector, utilities and manufacturing.

For more information on ISACA, please visit [www.isaca.org](http://www.isaca.org) or the Boise Chapter at [www.isacaboise.org](http://www.isacaboise.org).

**Scholarship Application  
Academic Year 2019 – 2020**

**Scholarship Eligibility:**

- Must be a full-time college student
- Must be studying in the related areas of:
  - Computer Science, Information Systems, Cybersecurity, or Accounting
- Must currently reside in Idaho or physically attend an accredited Idaho college or university (at either an Idaho college or university or an Idaho resident attending an accredited college or university in the United States)

**Selection Criteria:**

- Quality and completeness of the application and **all** required attachments
- Sincere desire for further education or training in the field of: Computer Science, Information Systems, Cybersecurity, or Accounting
- Individual achievement as evidenced through participation in outside interests and activities, leadership roles and/or work experience
- Grade point average or academic standing will be considered, but will not be the primary determinant
- Individual financial need may be considered as part of the selection criteria

**Scholarship Application Procedures:**

- Complete the application and **all** required attachments. Applications are also available at <https://isacaboise.org/home/2019/01/scholarship-application-2019-2020-academic-year/>
